

# Directions – from Seville

## **COSTA ESURI FROM SEVILLE AIRPORT**

Car Rental is directly opposite the terminal building. Leave the airport car park turning left and follow the exit signs – SALIDA - out of the airport.

Keep in the left hand lane and follow signs for E5 Sevilla & Cordoba. Keep to the left and follow signs for Sevilla & Cadiz off to the left.

Follow the signs for E5 & N1V towards Sevilla & Cadiz and after a couple of miles you will see a sign for HUELVA, E1 and A49.

The motorway merges soon so be sure to be in one of the two left hand lanes.

Keep following signs for HUELVA and after about another 20 kms the motorway merges again. Be sure to be in the left hand lane and continue following the signs for HUELVA. This will take you off to merge with another motorway. You should pass IKEA on the right and from here it is about 1 hour to Costa Esuri.

This motorway now takes you all the way. BUT as you approach exits for Huelva you should ignore these and follow the signs for Portugal. (Keep to the right as the motorway splits) following the sign for PORTUGAL. Ignore any further signs for Huelva and follow the signs for PORTUGAL/AYAMONTE.

As you approach Portugal the motorway descends and you may see the River Guadiana Bridge in the distance. Ignore the first two exits for Ayamonte. Take the exit which says AYAMONTE NORTE/ACCESO PLAYA. This is the last exit in Spain.

Follow the slip road down to the roundabout but beware of the road merging on the right. At the roundabout you need to take the first exit – to the right of the large Fadesa Industrial Unit - sign posted Costa Esuri Urbanization.

Follow this road straight to the roundabout at the end. The Costa Esuri Golf Club is straight on and you will turn right here into the development.

## **SEVILLE AIRPORT FROM COSTA ESURI**

Return on the A49 signposted SEVILLA all the way. At the outskirts of Seville you will see signs for CORDOBA. Soon the Airport Sign will also be shown. Follow these all the way to the airport.
